Dutko/Vinnedge

**Week 10 – Students will report to their assigned Co-op placement on Monday of Week 10.**

Students are afforded the opportunity to spend 6 weeks engaged outside of the CCMS classroom during Co-op. Funeral Service Co-op is intended to help students develop their skills and knowledge through hands-on experience in a “real world classroom” under the guidance of licensed professional preceptors. This is a credit earning course, but most importantly, an opportunity to further develop and learn, apply acquired skills, learn from experienced practitioners, and network as the next generation of service professionals.

**Week 1 only:** InSight™ Funeral Celebrant Certification Training (MGT 445) – Dutko/Lee  
**Week 10 to Term End:** Funeral Service Co-op (MGT 444) – Dutko/Vinnedge

*Schedule subject to change without notice.*
