

A.A.S. COURSE LIST

Publication 08.20.PUB3 (2022)

The Associate of Applied Science degree program is a regionally and professionally accredited three semester program consisting of forty-seven credit hours. Students complete the A.A.S. program in twelve-months, attending seated campus-based courses and clinical labs year round. The A.A.S. mortuary science curriculum is the minimum education standard for dual licensure in all states.
