We are excited to have secured a beautiful venue where we will celebrate your Commencement on **Saturday, August 8th at 10:00 a.m.** with special guest Mr. Dan Dwyer, President of Michigan Memorial Funeral Home to deliver the Commencement Address. ***Cooper Creek Event Center in Blue Ash Ohio*** will hold a maximum of 150 guests, including graduates, Trustees, and CCMS faculty/staff. We will be reaching out to collect revised guest counts and are asking that there be no more than 9 guests accompanying you on this special day. If you are confident you will have more than the allotted maximum per person under social distancing guidelines, please feel free to work together with another graduate who may have less than the maximum to help you accommodate additional guests.

We are making every effort to provide a livestream of the event in addition to a photographer. Again, this a full up cap and gown affair with distribution of diploma covers and award recognitions alongside faculty, staff, friends and families to applaud and celebrate your achievement.

Due to guidelines the venue is not able to provide any type of food service, so you may wish to plan a lunch with your family and friends following the ceremony which is scheduled to conclude around 11:30am. If more details become available or anything changes, we will reach out immediately.

On behalf of all of us, we hope you are well and look forward to sharing this special day with you. Please feel free to contact me with your questions or concerns.

Respectfully,

Jack E. Lechner, Jr.
